

The Bullying Shield

Protection Against Bullying

This presentation includes:

- The most effective defense against bullying
- Essential problem solving skills
- Examples of the power of kindness
- Teacher's questions and classroom activities

The secret that every student can learn is that the greatest protection against bullying is a **STRONG SENSE OF SELF**. This nine step program uses short and high interest movie scenes which engage students and give them the tools they need to safeguard against different types of bullying.

This presentation also uses the internationally recognized *Olweus Bullying Prevention Program* which shows students how and why they can stand up and speak out against bullying.

Our presenter arrives at your location with a collection of DVDs suited to the topic. You supply the DVD viewing equipment and the eager audience. If you are curious, our presenter would be happy to come to your school and offer a preview of the program. Pricing up to 100 people; larger groups contact *Marquee FilmTalks*.

Versions available in 30, 45, 60, and 90 minutes • One program in a day - \$100, Two - \$125, Three - \$175, Four or more, \$200
