

Summer School & Camp Specials!

Our Earth: a Film Tribute!

With the belief that every day should be Earth Day, we've put together a brand new program with fun and exciting scenes featuring relatable characters. We'll see children and adults who actively work to preserve our air, land, or water, and the creatures who live in, on, or in it! Enjoy thrilling scenes from films such as *Moana*, *The Black Stallion*, and *The Lord of the Rings* as we follow characters who inspire us to honor the Earth and all living things!

"We loved the videos!"
"There were lots of stories we knew."
-Students, Holy Cross School, Deerfield

"The selections were appropriate for multiple ages and Steven was able to connect to all grade levels. It was great to see the clips through the perspective of its message for Earth Day."

-Teacher, Holy Cross School, Deerfield
