

A **STEAM** Film Program: *Girls & Women Changing the World*

We're delighted to share our newest program about the exciting and world-changing S.T.E.A.M project which encourages girls and young women to pursue studies in:

IF YOU SEE IT, YOU CAN BE IT.
IF YOU SEE IT, YOU CAN BE IT.
IF YOU SEE IT, YOU CAN BE IT.
IF YOU SEE IT, YOU CAN BE IT.
IF YOU SEE IT, YOU CAN BE IT.

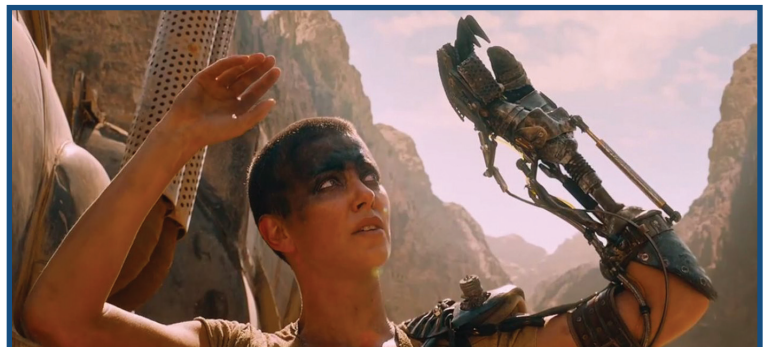

Science
Technology
Engineering
Artistry
Mathematics

We'll feature inspiring real-life women who have changed the world, and also many exciting female characters who motivate people everywhere. This program is designed to encourage students to stand up to negative forces and find their own power by discovering the rebel within themselves. The STEAM revolution is gaining momentum every day, and we will inspire your students with this energizing and captivating presentation!
